## Summer 2017 Newsletter

### It's Summer Time!

*Every Summer has its story!*

### Seasonal Water Turn Off- September 30, 2017

Due date for water shut off is **September 30** of each year.

**It is the residents' responsibility to schedule a water shut off no later than September 28<sup>th</sup>.**

As availability cannot be guaranteed, the earlier you schedule the better! A minimum of 48 hour advance notice is required.

If damages result from failure to schedule seasonal water shut off the property owner could be held accountable.

The Town is also asking all property owners to ensure their water meters are working. If you require repair, please contact the office to schedule an appointment.

### Storm Water System 8th Street East Collector Project

On June 21, 2017 at 2:00 pm local time the tender packages for the above noted project were opened and assessed. Three bids were submitted with details as follows:

Canadian Bobcat Services	\$2,329,732.50
Gee Bee	\$2,831,965.00
Accurate HD	\$2,961,246.70

In 2015, when the Town developed the Storm Water Management Strategy this portion of the project had been estimated to be approximately \$1.4 million. As a result of additional works requested earlier in 2017, the final pre-tender estimate was estimated to be approximately \$1.8 million.

Given that the tender bids received were substantially higher than the budget allocated for the project, Town Council has directed the consultant project team and senior administration to prepare options that would advance the project in line with the budget.

Town council and senior administration appreciates that this set-back in the project and implementation schedule is disappointing, however, they remain committed and determined to do their best to expedite moving

### Lagoon Update

A Request for Proposal for Engineering Services is nearing completion.

The federal contribution agreement is complete and the provincial contribution agreement is in process.

A final design for the lagoon upgrade is expected before the end of October.

## Regina Beach

### Ratepayers Meeting

**September 9, 2017**

10:00am 12:00 noon.

@ Memorial Hall

All residents are welcome and encouraged to attend.

### Dust Control

A second application of dust control, subject to weather and supplier availability, is expected by the middle of August.

### Curbside Recycling

Please remember to use our curbside recycling program. Pick up schedules are available online at [www.crownshredandrecycling.com](http://www.crownshredandrecycling.com), the Town website, and at the Town Office. If you require bins, they are available at the Town office.

## NEW Community Information Centre

The Town has installed a new 3 section bulletin board Information Centre in front of the Town Office along Centre St. This will provide a centralized location to see what is happening in our community.

There will be a section for Parks & Recreation, Town information, and Community Group information. If your community group has event posters or information they would like posted, please contact the Town office.

We are excited to have this central information hub for our community!

## Parks & Recreation

### Stay Active this Summer!

Swimming lessons, SPART Camp, Yoga, outdoor pickleball. Visit our Website or Facebook page & check out the Community Calendar to stay up-to-date with programs & events.

Regina Beach Parks & Recreation Board is having their 3rd Annual Parkfest on July 22. This fundraiser is for outdoor recreation facilities in the community. We also have a 50/50. 50% to winner, 50% to youth, 100% worth it! The winner could win up to \$17,500! Don't miss out on your chance. Get your 50/50 and Parkfest tickets from a board member, at the Town Office or from the recreation coordinator.

Fall Registration will take place in September. Watch for date.
